

**Anthem School, an “Excelling” School
Open House – Open Enrollment Fair
February 4, 2010
5:30 – 6:30 PM**

OPEN HOUSE – OPEN ENROLLMENT EVENING HIGHLIGHTS

Classroom Teachers will be stationed outside their classrooms to say hello as parents tour classrooms to see samples of students’ work and other ‘surprises’ including being able to interact with Smart Boards (Interactive White Boards) and other technology advances that have been added to rooms over the past year – and, to see where we are headed relative to increasing technology in all classes!

PE and “Before and After School Care” Program will be in the Cafeteria.

- Technology demonstrations and hands-on experience in the media center and classrooms
- Space – suited, School Mascot showing school spirit
- Student work grounded in their use of our critical thinking “Thinking Maps” tools
- Anthem Rockets Mosaic in the front office created by Art Teacher, Lindsay Boggs
- Band students demonstrating Smart-Board applications in learning instrumental music
- Kindergarten Art Walk!
- Refreshments at Anthem PTA Table
- Pizza party for the grade level with greatest number of new open enrollment forms by Feb 10
- Purchase a ticket for an I-Pod Shuffle to be raffled at 6:30 PM

Anthem Aerospace Academy Opening Fall 2010

Anthem Aerospace Academy is being developed to support and increase our students’ interests in pursuing Science, Technology, Engineering, and Mathematics course work that will result in their being college and career ready to compete with students from around the world by year 2021. The Anthem Aerospace Academy will establish partnerships with Arizona-based Aerospace companies and links with NASA, including Young Astronauts, Sandra Day O’Connor High School’s Air Force JROTC program and Luke Air Force Base.
